Charging policy

- Half-hourly rate bookings have a one-hour minimum charge, except for "Drainage tanker" bookings, which have a 2-hour minimum.
- The half-hourly rate is payable from start to finish, including the investigation, sourcing parts/materials, quoting, and reporting.
- If you decide not to go ahead with the work after an on-site investigation, you will be charged for the tradesperson's time up to that point.

The rates are valid from 20 October 2026. Rates listed here are exclusive of VAT. Special rates may apply for public holidays. Scoped work can be quoted with reduced daily or hourly rates. For full terms and conditions, please visit aspect.co.uk/terms-and-conditions
